1 **B. DISCOVERY THAT REMAINS TO BE COMPLETED**

2 Defendant is still obtaining Plaintiff's medical records through authorizations provided by
3 Plaintiff. Defendant needs to conduct the deposition of Plaintiff, a witness who was with her at
4 the time of the subject incident, and at least two of Plaintiff's treating healthcare providers once
5 Defendant has received Plaintiff's medical records directly from the providers. Plaintiff continues
6 to experience symptoms she attributes to the subject incident and anticipates requiring future
7 treatment so Defendant may seek to have Plaintiff appear for a Rule 35 Examination.

8 Plaintiff intends to conduct the depositions of additional employees and FRCP 30(b)(6)
9 representatives. The parties are also in the process of scheduling Plaintiff's deposition.

10 The parties also anticipate designating expert witnesses and conducting the depositions of
11 any designated expert witnesses.

12 **C. REASONS WHY DISCOVERY HAS NOT BEEN COMPLETED**

13 Defendant is still in the process of obtaining Plaintiff's medical records and films.
14 Defendant needs to obtain those records before conducting the depositions of Plaintiff and her
15 treating healthcare providers. Defendant also needs to obtain those records and films to provide
16 to Defendant's medical expert. Also, as Plaintiff continues to experience symptoms she attributes
17 to the subject incident and anticipates requiring future treatment, Defendant will likely seek to
18 have Plaintiff attend a Rule 35 Examination.

19 Plaintiff needs to conduct the depositions of additional employees and Defendant's FRCP
20 30(b)(6) representative(s) prior to the disclosure of expert witnesses. Four of Defendant's
21 employees have been deposed to date, and the parties are working to schedule the remaining
22 employee depositions.

23 All of this discovery cannot be completed and provided to expert witnesses to allow them
24 to complete expert reports prior to the current initial expert disclosure deadline. Accordingly, the
25 parties request a sixty day extension of the current discovery deadlines.
